

FEES

Patents

We understand and know firsthand how expensive legal fees can be and how quickly they add up. That is why NARA uses a low-cost patent agent. Our patent agent will ensure our patents are filed accurately and on a timely basis to meet the legal requirements of the United States Patent and Trademark Office concerning U.S. Patents.

The fee to file a patent with the USPTO is:	\$720
The issue fee is:	\$1,190
NARA administrative fee is:	\$850

There are no maintenance fees for the patents, each patent lasts twenty years.

Trademarks

Trademarks are filed directly by NARA.

Trademark file fee with the USPTO is:	\$325/trademark
NARA one-time processing fee of:	\$150/trademark

Collections

Collections and royalties are tailored to fit each individual client's needs. We would like the opportunity to meet and discuss further how we can administrate your royalty collections.
